Desert Projects

Tomorrow is the day for students to bring their desert projects, information, and rubric to school. If your child wants to practice presenting the information at home, keep a copy. We will be doing the presentations on Monday, Tuesday, and Wednesday. They will be very short! I'll help anyone that feels unsure, and I'll take a photo for each child. We'll make sure this is a positive and fun learning experience for everyone.

This Week -

In Bible we're studying how God asked Abraham to sacrifice his son. We'll discover what God was trying to show us. "Our memory verse is: For God so loved the world that He gave his only begotten son, that whoever believes in Him shall not perish but have eternal life." John 3:16

Photos: While swimming didn't go quite as planned, the kids had fun and gained more confidence in the water.

Student-Led Conferences

On Nov. 16 we'll be having student-led conferences. You can come with your child any time between 11:30-1:00, or 5:00-6:30. Your child will be prepared to show work samples and talk about what we've learned, areas of strength, and areas where help is needed. This is a special time to celebrate your child's progress. Mrs. Wessman will be available to assist your child and answer any questions. If you need an additional private conference, send a request by email and it can be scheduled at a different time.

Show and Tell

We'll have Show and Tell on Wednesday, Nov. 9. Remind your child to just bring one thing to show. No pets, please!
