Swimming Week

We're having swimming lessons M-Th this week, leaving the school at 12:30 and returning by 2:30. Be sure your child has a swimming suit and towel each day. **Photo:** Your cute little pumpkins! We had an awesome field trip. Thank you for helping to make it a huge success!

This Week -

Because of swimming, our spelling test will be on Friday this week.

Science Project

Hopefully everyone got their science project information home successfully and has started to plan. Please remind your child to keep it simple! We'll be putting their projects and pictures in the library display case so you can see them all at conference time.

Calendar

Book It

Has your child read 400 minutes this month? It's time to turn in that first Book It chart for free pizza. A new chart is available to anyone that turns in a completed chart or is still wanting to participate. Please be sure your child's name is on the chart. Some parent signatures are a little difficult to read!

Sweatshirts

Mrs. Bryant has asked teachers to remind kids and parents that all sweatshirts need to be uniform colors/style. Thanks for helping us with this!
