## Red Ribbon Week!

### Calendar

- Oct. 24- No School—Inservice Day
- Oct. 27- All day field trip to Country Mercantile and Playground of Dreams in Pasco
- Oct. 31-Nov. 3—Swimming Lessons 12:30-2:30 pm

### Desert Project

As we come to the end of our science unit, we are doing desert animal projects during the beginning of November. This Wednesday, each student will choose a desert animal to learn about. The project includes making a picture or model of the animal and sharing important information with the class. Your child will bring home information about the chosen animal and instructions for the project. The project will be due Nov. 7. We will be displaying the projects and pictures in the library display case for you to see during student conference time.

This week we're learning about keeping our bodies healthy. We'll learn what Red Ribbon Week is about and what it means to pledge to care for our bodies. Our fun dress up activities this week include:

**Tuesday— Team Day**

**Wednesday—Tourist Day**

**Thursday—Career Day** (just for a few minutes in the morning before the field trip!)

**Friday—Wear Lots of Red Day**

Your kids did an awesome job performing for the Brookdale residents on Friday! Here are a few photos:

### This Week -

Since we're focusing on having healthy bodies this week, our memory verse is, "So whether you eat or drink or whatever you do, do it all for the glory of God. 1 Corinthians 10:31

### Field Trip

On Thursday, your child will need **warm clothes, a sack lunch, and something to drink**. If you are going with us, plan to be at school and ready to go at 8:30. We should be back to the school by 2:30.

### No Spelling This Week

Because of our in-service and the field trip, we aren't having spelling this week. The words your child brought home will be practiced for next week.
