Fun Photos

Thank you for coming to your child's conference. Your kids were so proud and excited to share their work and progress with you. As always, if you ever have any questions or concerns, please feel free to email or call.

Photos: A few snapshots of families enjoying student-led conferences together. Thank you for coming!

This Week -

We're working on our next Brookdale program. The following kids are memorizing poems: Ava, Fin, Bristol, Gabriella, Katelynn, Liam, Kaiden, Tate, Everett, Paxton, and Cody. These kids volunteered to play solos: Olivia, Sawyer, Scarlett, Aileen, Allianna, Ava, Benji, and Sadie.

Ice Science

Since winter is almost here, we're doing some science experiments with ice this week. We'll learn why salt is frequently used to melt ice with a fun hands-on activity.
