This Week -

We're having our regular morning routine of math and reading activities this week. We're also having a spelling test this Thursday. On Wednesday, Alex Lau will have another great salmon lesson for us. We're preparing the Christmas story for you to enjoy at our program.

Gift Exchange

Please be sure your child's gift for the exchange is here by Wednesday. I like to be sure there are enough presents so everyone will get one! Remember that it is important that your child **not** know what is in the package.
